LES GRANDS HURLEURS

Audio requirements :

- Adequate sound system for the theater, 3 way active (L-Acoustic, D & B, Meyer) that can deliver 115 dB at the sound board.

- Digital sound board : Soundcraft Vi1, Midas M32, Behringer X32, Yamaha CL5, Yamaha M7CL 32, Yamaha LS9 32

Or

- Analog sound board (Midas, Soundcraft) with 32 mic inputs, 4 bands PARAMETRIC equalizer, 4 subs, VCA, 8 aux (4 pre-fader, post Eq / 4 post-fader)

- 3 (6channels) identical 31 bands graphic EQ (Klark, Bss)

- 8 channels of compression (Bss, Drawmer, Klark)

- 4 effects engines (2 reverb, 1 tap delay, 1 voice doubler + chorus)

- 4 Wedges (3 mix), 1x15' or 12' with horn (D&B, L-Acoustics, EAW)

- Mics : see patch list

Back Line

- Kick Drum (with pedal)

- Bass amp

- Guitar amp

Other needed :

- One lighting operator for the show

Catering :

- One clean lockable dressing room with a restroom, near the stage.

- 6 towels

- 12 bottles of water (please keep 6 of them cold and the 6 others at room temperature).

- Fruit juice, carbonated water (ex. Perrier), soft drinks.

- Food: **IMPORTANT**

One musician has "**Celiac disease**".

He must eat **gluten free food** exclusively. It must be completely isolated from any other food, surface or tool that contains gluten or has been in contact with any form of it.

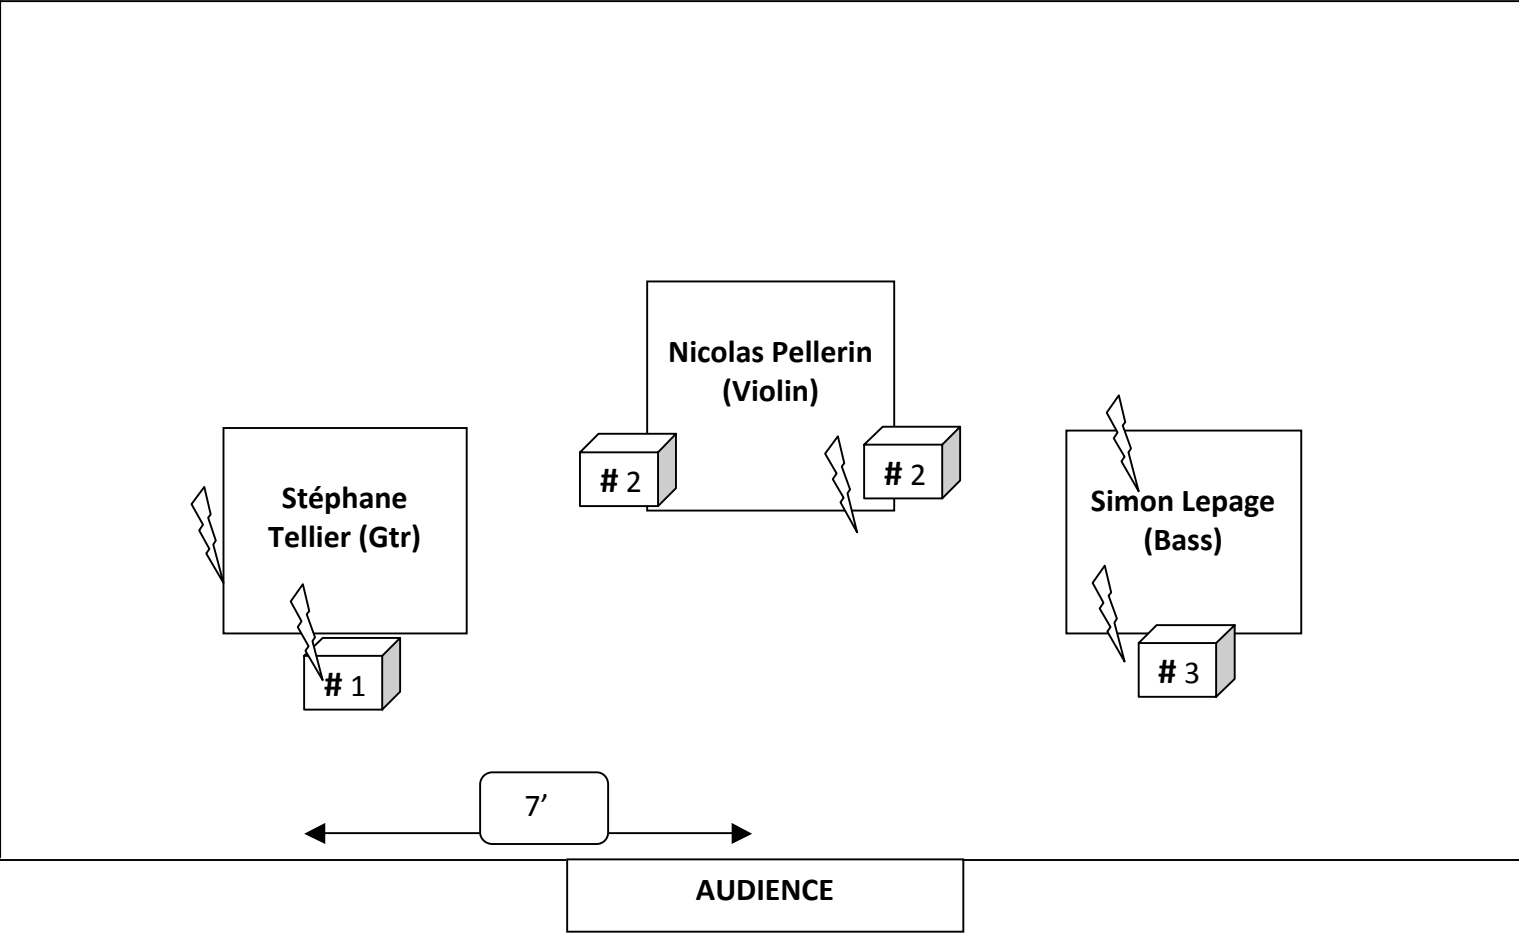

Even small amounts can trigger intestine damage.

It's very important to avoid foods with wheat, rye and barley, such as bread and beer, except for specific **gluten free products**.

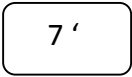

Make sure to have Vegetables, fruits and nuts available.
